AMENDMENT UNDER 37 C.F.R. §1.111

Sir:

In response to the Office Action dated April 2, 2002, please amend the above-identified application as follows:

IN THE CLAIMS:

Please amend the claims as follows:

1. (Amended) A file manager provided for locating a file identified by a path referring to a unit and an identifier, comprising:

a table for associating said file with a priority list of physical units,

wherein said physical units store a plurality of versions of said file.

11. (Amended) A file manager for locating a file, comprising:

a table for associating said file with a priority list of physical units,

wherein said file is identified by a path referring to a logical unit and an identifier, and

wherein said physical units store a plurality of versions of said file.

14. (Amended) A method for locating a file identified by a path referring to a logical unit and an identifier, comprising:
